

Abc Uninterruptible Power Supply

System Layout

Overview

The Back-UPS Pro uninterruptible power supply provides power to your critical devices during a power outage, allowing you to continue working or gaming and stay connected to your network. Ideal for PCs, home office electronics, networking devices, SmartHome devices and gaming consoles. Power protection and management solutions from home to data center to industrial environments. Unlike a backup generator, it does not need to power up in order to start generating. **EXTENSIVE COVERAGE:** Protection for all your eligible products purchased from Amazon. (Note: Products used commercially or for a business are excluded) **EXCEPTIONAL PROTECTION:** Including malfunctions and failures, plus drops or spills for eligible portable items. 5 hours after safely shutting down your PC or high-powered.
