

Abu Dhabi energy storage construction project

Overview

The roughly AED232 billion (US\$5.2 billion) project will integrate 5.2GW of solar PV with a 19GWh battery energy storage system (BESS), which Masdar claimed was the “largest and most technologically advanced system of its kind in the world. The Emirati state-owned renewables developer Masdar has begun construction on a giant solar-plus-storage project in Abu Dhabi. 9 billion), this project will integrate 5.
