

# Can the rice cooker be placed in a storage cabinet

## Overview

---

Store the rice cooker in a dry, cool place, such as a cabinet or pantry. Many rice cookers come with detachable cords and additional accessories like spatulas or steam. Avoid placing the rice cooker near the edge of the surface to prevent accidental tipping. However, ensure that it's not too close to heat sources or water. Cabinet: Storing your rice cooker in a cabinet is a great way to keep it out of the way while maintaining. Consider multitasking storage areas or wall-mounted shelves. Cabinets and shelves offer ideal storage solutions. They keep your kitchen tidy and maximize space.

## Can the rice cooker be placed in a storage cabinet

### [Where To Put Rice Cooker In Kitchen](#)
