

China high tension switchgear in Austria

Overview

Find trusted China high tension switchgear with IEC 62271 compliance, SF6 insulation, and custom options. Lorünser Austria GmbH specializes in the development and production of switchgear, offering solutions for high voltage applications up to 420kV AC and 850kV DC. With over 70 years of experience, the company ensures reliable operation and economic efficiency for utilities and power supply systems. Discover our advanced high-voltage switchgear solutions designed to ensure reliable performance and safety in power transmission systems. 8 billion by 2027, growing at a CAGR of 6. Several key factors drive this expansion. (more) Description: We enable electrification for a sustainable future Schaltbau GmbH Group. Looking for a solution for outdoor substations, proven knowledge of switchgear technology or flexibility in development and production?

Lorünser experts develop individual solutions for perfect connections in switchgear, whether in aluminium or bi-metal, ranging from 66 to over 1000 kilovolts AC or. CHINT High-Voltage Switchgear Manufacturing workshop established in 2003. Chint can provide GIS products from 66kV to 550kV, with an annual production capacity of 2000 bays for products with 145kV and below, and 1000 bays for products with 220kV and above. This workshop is a constant temperature.
