Find many great new & used options and get the best deals for Companion Rover Lithium 40AH Power Station - 10000071 at the best online prices at eBay Australia!. If you dream of staying off-grid for longer but still need to keep things charged, the Rover Lithium 40Ah Power Station from Companion is the trusty power solution to help turn that dream into reality. This station offers 3-way charging through AC, DC or solar via the built-in MPPT controller, and. Sale! The Companion Rover Lithium 40AH Power Station is designed for powering portable fridge/freezers and other 12V appliances while being off-grid. Its lightweight and compact design makes it a truly portable power source for your next camping adventure. Have had this product for two years and have found it to be great. We use it with a 45 liter Engel fridge freezer hooked up to 120W panels and this works well.
