

Factory price safety breaker in Brisbane

Overview

Get Quotes sends your requirements to expert suppliers in Australia so you get personalised quotes to compare Circuit Breaker prices, specifications, features and terms then choose the one that's right for you. Also compare servicing, consumables and reviews, so you can buy with confidence. APS. Shop our range of Australian-standard circuit breakers – trusted protection for industrial, commercial, and mobile power setups. Our circuit breaker range is built to handle the real-world demands of tradies. Circuit breakers automatically interrupt the electrical current when an overload or short-circuit condition occurs. Available in single pole, two pole, and three pole configurations with B, C, and D trip curves. For all your temporary or permanent power needs.
