

# Full set of solar intelligent power generation system

## Overview

---

The world's first AI-optimized 5-in-One energy system combining inverter, battery, EMS, EV DC charging, and intelligent controls into a resilient, expandable solution built for energy independence. Expandable from 5 to 390 kWh with stackable battery packs. PointGuard Home is an advanced all-in-one. Looking for a hassle-free complete solar power system?

Look no further than our pre-made solar kit packages. These all-inclusive solar kits are designed for simplicity, featuring everything you need for a seamless setup and installation. Discover our vision for powering the future of energy through cutting-edge solar solutions. Take control of your power with premium solar + storage. Explore our complete hybrid solar kits, offering innovative solutions for energy independence at SunGoldPower.
