[Guodian Wind Power Generation](#)

Wind power generation has increased rapidly in China over the last decade. In this paper the authors present an extensive survey on the status and development of wind power generation in China.

12V 10AH

- LIQUID/AIR COOLING
- INTELLIGENT INTEGRATION
- PROTECTION IP54/IP55
- BATTERY /6000 CYCLES

[Guodian United Power UP154](#)

General data Manufacturer: Guodian United Power (China) Model: UP154 Rated power: 6,000 kW Rotor diameter: 154 m Under development Offshore model: no Swept area: 18,627 m² Specific area: 3.11 ...

[Guodian Power Generation Wind Power](#)

From January to June this year, offshore wind power generation in our county reached 1.09 billion KWH, an increase of 148%, with a total output value of 570 million yuan.

- LiFePO₄ Battery, safety
- Wide temperature: -20~55°C
- Modular design, easy to expand
- The heating function is optional
- Intelligent BMS
- Cycle Life: > 6000
- Warranty: 10 years

China Guodian Corporation

It is a government owned business which is administrated by the State-owned Assets Supervision and Administration Commission of the State Council (SASAC) for the People's Republic ...
