

Is there a solar panel factory in Afghanistan

Overview

ESS Solar Panel factory headquarters located in Industrial Park of Herat Province, Afghanistan. The nation is grappling with significant energy challenges, yet, almost poetically, it's drenched in sunshine—we're talking over 300 sunny days a year and a staggering solar capacity estimated at over 220 GW. This abundant sunshine isn't just a nice feature; it offers a genuine pathway toward. We're the #1 solar energy provider in Afghanistan! Etemad Sun Solar (ESS) Company, founded in 2018, is an Afghan-owned manufacturer of Solar Panels, holding Business License#: 58058 from the Ministry of Commerce and Industries of the Government Islam Republic of Afghanistan. Zularistan operates from its Main Office located in Kabul as well as 2 regional. A private company in Herat province is producing almost 300 solar panels per day, each of which has a capacity of providing up to 650 watts of electricity. The factory officials say the solar panel that they produce is competing with regional companies in terms of quality.
