

Large-capacity folding containers for highways

Overview

Check each product page for other buying options. At CHEP, we have a wide range of standard, reusable plastic containers to cover your packaging needs for all types of parts. We provide large and small returnables to customers around the globe, each specially designed to optimize the supply chain and better protect your parts. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.
