Overview

Oslo/Manila, 03 February 2026: SN Aboitiz Power (SNAP), Scatec ASA's joint venture with Aboitiz Renewables, inc., the renewable energy arm of Aboitiz Power Corporation in the Philippines, has reached financial close and prepares for construction start of the 40 MW Binga (phase. Aboitiz Power disclosed that its joint venture, SN Aboitiz Power (SNAP) — formed with Norway-based renewable energy company Scatec — has reached "financial close" for two new BESS projects with a combined capacity of 80 megawatts (MW). The projects comprise a 40-MW battery energy storage facility. ABOITIZ Power Corp. (AboitizPower) on Wednesday said that joint venture SN Aboitiz Power was set to start the development of two new battery energy storage systems (BESS) after both projects reached financial closing.
