

Longi 480 photovoltaic panel specifications

Overview

LonGi 480W Solar Panel (LR5-66HPH 480~505M) This solar panel features a high efficiency rating of 21.5%, with a maximum module power output of 480W to 505W. It has a 25-year power warranty and is designed for outdoor use, with an anodized aluminum alloy frame and tempered glass.

Specifications L ONGi reserve sincluded the righ tin fina datasheet I interpret a are t io subject n(. With 54 cells and a sleek all-black design, it seamlessly integrates into residential and commercial solar systems, offering both high power. Product is no longer manufactured. Monofacial with black frame and 23.5% efficiency, IP68 and system up to 1500 V DC for maximum reliability. 5%, it utilizes M10 Gallium-doped wafers and smart soldering techniques to.
