

Manila Solar Energy Storage Exhibition

Overview

As the largest and most specialized solar exhibition in the Philippines, Solar & Storage Live brings together global module manufacturers, EPC contractors, system integrators, and energy experts to explore cutting-edge technologies and market opportunities in clean energy. The "Solar & Storage Live Philippines" is a leading international trade fair focused on solar energy, photovoltaic (PV), energy storage, and related technologies. Organized by Terrapinn Holdings Ltd. The event is a strategic conference and covers the market developments of the solar industry.
