

Manufacturer of 120-foot folding containers for emergency rescue

Overview

World's most advanced fold-out portable shelters for military, medical, emergency, and commercial use. They are custom retrofit Grade A containers that offer secure storage of critical supplies. For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are. Unlike tents, trailers, or short-term modular structures, FORTS® units feature hard-walled, insulated construction with integrated power, data, HVAC, and utility systems., Paladin offers purpose-engineered, mass-fatality solutions designed to value worker safety and dignity to the deceased. For companies that prepare in advance, we offer custom modifications to create built-to-order. SEA BOX utilizes their expertise in container design and manufacturing to provide a versatile selection of Personnel, Equipment and Expeditionary Shelters for commercial or military functions.
