

# Outdoor Communication Cabinet 380V Brand and Price Comparison

## Overview

---

Explore AZE's premium NEMA-rated and weatherproof enclosures designed for telecom, industrial electrical, and energy storage applications. Built to withstand harsh environments and extreme conditions, our enclosures ensure optimal protection and peak performance for your critical. When your network infrastructure demands reliable outdoor protection, American Products delivers weatherproof telecom enclosures engineered for performance and built to last. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies. These cabinets face constant exposure to harsh weather, including rain, intense sunlight, and extreme temperatures. Materials like stainless steel and marine-grade polymer stand out for their ability to resist corrosion and withstand environmental challenges. From 16" to 90" heights, from 25" to 42" of depth, we can help size the right enclosure for your site.
