

Outdoor power supply of 5 to 7 kWh

Overview

After testing over 140 power stations and evaluating charging options, capacity, charge time and other features, we've narrowed down our top picks that can serve your needs, ranging from portability to whole home backup. What's the top-selling product within Portable Power Stations?

The top-selling product within Portable Power Stations is the Jackery. EF ECOFLOW 7. 2kWh Portable Power Station: DELTA Pro with Extra Battery, 120V Lifepo4 Battery Backup with Expandable Capacity, Solar Generator for Home Use, Power Outage, Camping, RV, Emergencies Amazon's Choice highlights highly rated, well-priced products available to ship immediately. Our new top pick, the Bluetti Elite 200 V2, stood out for its exceptional battery capacity—among the highest of any model we tested that isn't a whole-house unit—plus its rugged build quality and reliable output. It's not the only high-performing option, however. While these solar kits are not designed for selling power back to the grid, they are fully capable. Power stations are ideal for helping you get through a power outage and for off-grid camping. They offer a compelling alternative to loud and smelly generators. And, unlike gas generators, power stations don't emit potentially lethal carbon monoxide fumes and can be recharged with optional solar.

Outdoor power supply of 5 to 7 kWh

[Complete Off-Grid Solar Kit](#)

With simple components and both lithium and AGM battery options (a budget-friendly alternative to lithium), these solar kits offer a versatile and cost-effective power solution for remote power needs.
