

Paraguayan energy storage battery companies

Overview

Investment firms PASH Global and ERIH Holdings have formed a joint venture (JV) to develop utility-scale solar and battery storage projects in Paraguay. This article will discuss the top 10 battery companies in Paraguay that you should know about. A spokesperson for UK-based PASH told Energy-Storage.news that the partnership would initially target 100MW of solar PV and 40MWh of separate. As South America races toward its 2030 renewable energy targets, Paraguay's Cerro Port Energy Storage Export initiative emerges as a game-changer. M& A activity into energy storage companies was up year-on-year, but there were fewer project-related M& A deals: there were 14 M& A transactions for companies in H1 versus just Investment firms PASH.
