### [3 Ways to Report Illegal Construction](#)

Overview  
Calling Your Local Building Inspection Department  
Filing an Official Complaint  
Online  
Identifying Illegal Construction  
Illegal construction can range from a company building without a permit to a construction site that is causing excessive debris in the area. You can also report illegal construction if the site appears unsafe for construction workers or it does not have a safety net or fence around it to protect those who live nearby. To notify the proper authority See more on wikipedi Department of Energy
