Rome energy storage research and development

[Rome's Fiumicino Airport Unveils Europe's Largest EV Battery Energy](#)

Europe's largest airport solar-battery integration, boosting energy resilience and circular economy leadership. Rome's Fiumicino International Airport has launched Pioneer, Europe's largest ...

[Fiumicino Unveils Europe's Largest EV Battery Storage System](#)

Italy, J: Enel and Aeroporti di Roma (ADR) have officially launched the Pioneer project, a groundbreaking energy storage initiative designed to accelerate decarbonisation efforts at Rome's ...

[PIONEER - Airport Sustainability Second Life Battery Storage](#)

As part of the PIONEER project, a commercial use case for 2nd-life batteries in combination with a 30 MWp PV system to power the »Leonardo da Vinci« international airport in Rome Fiumicino will be ...

[Research , Energy Storage Research , NLR](#)

Researchers provide analytical support related to energy storage in studies on decision-making and impacts at all scales, including automotive, distribution and transmission grid ...

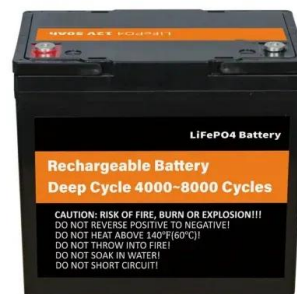

[Nanotechnology Conference in Rome](#)

Empowering the Future: Young Researchers and Hybrid Energy Storage in Funded Research

[Energy Storage Conferences in Rome 2024/2025/2026](#)

Energy Storage Conferences in Rome 2024 2025 2026 is for the researchers, scientists, scholars, engineers, academic, scientific and university practitioners to present research activities that might ...

[International Conference on Energy Storage and Storage Methods ...](#)

International Conference on Energy Storage and Storage Methods aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences ...

[Energy Storage Workshop, 5-6 November 2025, Rome, Italy](#)

The event brought together leading researchers, industry experts, and innovators to discuss the rapidly evolving landscape of energy storage technologies and we had the pleasure of being invited by the ...

[Renewable Energy Conference 2026 , Global Summit](#)

The Global Renewable Energy Conference 2026 (GRCREN 2026) is an international scientific and industry-focused renewable energy conference taking place on 17-18 September 2026 in Rome, Italy.

[Energy storage system based on EV batteries launched at Rome's ...](#)

Italy's largest energy storage system based on used batteries for electric vehicles was inaugurated on Tuesday at Rome's Fiumicino airport to help it reduce carbon emissions.
