

Signed for 30 MW of solar

Overview

Google has agreed to buy electricity from a 30-megawatt solar farm in Kedah, Malaysia, developed by a consortium led by a local unit of Japan-based Shizen Energy. The deal is part of Malaysia's Corporate Green Power Programme, which aims to attract investment in renewable energy. In a significant development for Zimbabwe's energy sector, Vungu Solar Pvt Ltd has reached a critical milestone by signing a landmark 25-year Power Purchase Agreement (PPA) with the Zimbabwe Electricity Transmission and Distribution Company (ZETDC). The agreement was signed in Harare at a reception hosted by the British Ambassador to Zimbabwe, Pete Vowles.
