

Smartflower Solar Power Flower

Overview

SmartFlower is a free-standing solar power system made by the company SmartFlower Solar. The unit has twelve curved “petals” that hold high-efficiency photovoltaic cells. Whether you are. SmartFlower Solar produces unique, ground-mounted solar panel systems that include a sun tracker and a number of other high-tech features. This 'smart' solar panel system is an all-in-one, self-sustaining system that differs greatly from the traditional monocrystalline or polycrystalline rooftop. Most of Smartflower's beautiful and unique sun-tracking solar sculptures aren't purchased by homeowners. This contemporary technology's fusion of effective operation and attractive design makes it the preferred renewable energy system available today. This revolutionary device includes.
