

# Solar air conditioner in Ukraine

## Overview

---

Traditional air conditioners rely on the grid or an inverter to convert DC from panels into AC. In contrast, DC-driven mini-splits or “solar-native ACs” connect directly to panels. They waste less energy and run. The official website of Neoclima Ukraine provides the opportunity to buy Neoclima Air Conditioners online, with delivery and installation throughout Ukraine. How does 6W market outlook report help businesses in making decisions?
