

Southeast asia outdoor telecom cabinet m-series manufacturer

Overview

KDST delivers safer, smarter, and more efficient outdoor cabinet solutions, engineered to protect sensitive equipment in any environment. Modular construction of the cabinet is very user friendly. Many parts like door, back wall, side walls and roof can be opened, demounted or removed on site to make the installation of the customer equipment as easiest. As a leading manufacturer and supplier of fiber optic components, we consistently provide high-quality fiber optic components, fiber optic active connectors, optical splitters, fiber optic adapters, fiber optic cables and other products. Our cabinets are built to withstand harsh weather conditions and provide excellent protection for power. KDM telecommunications enclosure fully protects the contents enclosed within, such as electrical cabling and other components from potentially damaging environments, including those that contain dust, rain, ice, and external heat. We design and manufacture high-quality custom enclosures, while providing professional assembly, system integration, and tailored support services for telecom. #SUPERSEPTEMBER - Enjoy US \$50 off over \$1000 from 9. There are 2 OEM, 1 ODM, 2 Self Patent.
