

# The largest inverter manufacturer in Shanghai

## Overview

---

AISWEI, formerly known as SMA's China subsidiary, is a leading R&D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and smart energy management system. As a world leader in solar panel production, China also excels in manufacturing best solar inverters, the pivotal devices that convert solar-generated DC power into AC power usable in homes and businesses. The Chinese solar inverter market has shown significant growth and is projected to continue. In 2026, China continues to be a key player in the global inverter market, known for high-quality and cost-effective products. As renewable energy becomes more popular, there is a growing demand for efficient and reliable inverters. com/ HUAWEI stands at the forefront as the world's premier provider of ICT (information and communication).
