

# Uzbekistan cabinet-based energy storage

## Overview

---

Equipped with Sungrow's advanced liquid-cooled ESS PowerTitan 2.0, this facility is Uzbekistan's first energy storage project and the largest of its kind in Central Asia. The project represents a major milestone in the region's clean energy transition, paving the way for a more. UAE-based companies Masdar and AMEA Power will build new energy storage systems in Uzbekistan, the Ministry of Energy announced. 3 million households for two hours. Abu Dhabi Future Energy Company PJSC - Masdar, a global clean energy leader, has signed a Battery Storage Service Agreement with JSC Uzenergosotish. Uzbekistan's energy transition is accelerating, driven by a bold vision to integrate renewable energy and modernize its aging grid.

## Uzbekistan cabinet-based energy storage
