

Xinyi Photovoltaic Rolled Board Manufacturer

Overview

Xinyi Solar Holdings Limited is one of the world's leading photovoltaic glass manufacturers and specialises in research and development, manufacturing, sales and after-sales services of photovoltaic glass. The products include ultra-clear patterned glass, AR photovoltaic glass, thin film photovoltaic Glass. By using Kisen Energy's Digital Cloud + Optical Storage and Charging Integration Solution, the above problems can be effectively solved, operational efficiency can be improved, management costs can be reduced, carbon emissions can be lowered, and green and sustainable development can be achieved.

Specialization: First Glass is a leading manufacturer of Building Integrated Photovoltaics (Solar Powered Glass), specializing in extending clean energy generation to curtain walls, siding, roofs, CIGS flexible PV modules, plane PV tiles, and metal PV tiles.
